Nos circuitos do dia a dia, a bp compensa.

Quando está em prova, o Miguel sabe quantas voltas tem de dar. No dia a dia, quem decide o número de voltas é a sua filha. Às vezes adormece logo na primeira, outras vezes, são precisas muitas mais. Mas em todas, o Miguel sabe que a bp compensa. Compensa pela poupança com os cartões de fidelização da bp e compensa pelos quilómetros extra*, obtidos através do uso de combustíveis bp Ultimate com tecnologia ACTIVE. Nos circuitos do dia a dia, a bp compensa e o Miguel aproveita.

O melhor, todos os dias

*Gasóleo bp Ultimate com tecnologia ACTIVE, garante até 56 km extra por depósito. Testado em comparação com combustíveis em conformidade com as especificações definidas pela legislação em vigor. Os benefícios anunciados verificam-se em utilizações continuadas e podem variar de acordo com o estado do veículo, estilo de condução ou outros fatores. Saiba mais em bp.pt
